

# BUSINESS ANALYST

Louvain-la-Neuve | Join the Odoo adventure !

## BUSINESS ANALYST

Are you ready to learn fast and have a real impact on the company? Join Odoo, a growing software company with a killer product, a huge global community, as well as a fun and exciting work environment.

Value your **business knowledge**, practice your **language skills** and use your **shark attitude** to reach new objectives !

## WHAT WE EXPECT

As Project Leader, you will be responsible for implementing our software solution. You'll be in direct contact with the clients to help them with the good use of Odoo Software. Therefore, you will analyze their needs and deliver personal training sessions. You'll be responsible for delivering the best management solution to your customers!

In the very first weeks, you will quickly get involved in your first projects receiving the support of more experienced colleagues. You will progressively increase your level of autonomy but never forget that two heads are better than one! You won't have time to get bored as each project is different (industry, scope, etc.).

## RESPONSIBILITIES

Gain the trust of your customers

Analyze the customer needs and suggest solutions

Implement the agreed solutions (config & dvlpt)

Make your customer an Odoo champion (training)

Follow the project and communicate about its status and the ongoing tasks

Organize and follow up Odoo implementations
