

Controlling Specialist Business Intelligence (m/f/d) - Remote Option GER

Agriculture is all about balance. The balance that is crucial to everyone's existence - also applies to our Agricultural Solutions division. We connect innovative thinking with practical action to find the right balance for success - for farmers, agriculture and future generations. With seeds and traits, crop protection and digital solutions, we help farmers produce food more efficiently, protect the land and meet the needs of society.

RESPONSIBILITIES

Join our Agricultural Solutions Expert Services team at our Berlin Hub and bring our global IT product steering to the next level in an agile environment.

- o In this role, you drive the development and implementation of a PowerBI reporting tool for IT products.
- o For existing cost and IT project controlling tools, you support maintenance and enhancement through process automation.
- o You are responsible to design and implement PowerBI dashboards for management and IT product owners.
- o Moreover, you support the user community applying the BI reporting tools.
- o Finally, you perform ad-hoc analysis and provide recommendations to management and user community.

BENEFITS

- o Onboarding to help you settle in quickly, ensuring you are part of the BASF team from day one.
- o 30 days of paid vacation, special leave and sabbatical options.
- o Flexible working hours so that you can organize your working and private life according to your needs.
- o Location-independent work models with defined days of presence in Berlin and place of residence in Germany.
