

Product Manager, Autohero (f/m/x)

- Bergmannstraße, 10961 Berlin, Germany
- Employees can work remotely
- Full-time

Job Description

AUTO1 Group is Europe's leading digital automotive platform. As a dynamic tech company, we are revolutionizing the automotive industry with our brands **wirkaufendeinauto.de**, **AUTO1.com** and **Autohero**. As a Product Manager you will assist in defining new products, features, and services for our clients working closely with developers and stakeholders in an agile environment.

What you can expect

- Work with remote cross-functional teams of engineers, designers, and marketers to launch impactful improvements and new solutions
- You will lead the full product development lifecycle from ideation, requirement gathering, design, feature prioritization, sprint management to adoption with internal software engineering resources
- You will own the pipeline, measure performance, keep your eyes on the customer/users, anticipate bottlenecks, make trade-offs and take acceptable risks to maximize the benefit for our customer and business
- You will author all important product documents including the definition of business requirements, as well as functional specifications.
- Stay current on trends, innovation and competition in a fast-paced environment

What you have covered

- Excellent product development skills and an ability to lead an iterative software development team - evidence of creative thinking, independent problem-solving, effective troubleshooting, team motivation, and conflict resolution
- Desire to work in a fast-paced, highly entrepreneurial culture
- A team player that is willing to roll up one's sleeves to get the job done
- You are an excellent communicator and have very good presentation skills
- You have the ability to use hard data and metrics to back up assumptions and develop hypotheses, design experiments, and interpret results

What we offer you

- Your life-work balance and home office are part of our culture, you can work from home up to 5 days a week
- Educational budget for your personal growth
- Team and company events like Hackathons, International Nights, Company Party, Football and more
- More than 90 different nationalities make up for a truly international and diverse working environment
