

We want to create happy moments
in e-commerce with you!

Working Student CEO Office (m/f/d)

Part-time starting in August/September | Munich

E-commerce is booming! New, cool independent brands are popping up every day, but inconsistent post-sales processes quickly become their growth bottleneck. Our mission is to enable all online stores to provide their customers with a seamless and best-in-class experience by leveraging our Fulfillment as a Service platform so that they can continue to grow and challenge their established competitors.

YOUR RESPONSIBILITIES - EXCITING AND CHALLENGING

- You will be responsible for Alaiko-internal communication - e.g., with regards to all-hands meetings and the preparation of strategy workshops
- You will be responsible for high-impact strategic projects in close collaboration with the founder's associate
- You will be free to define and own projects to work on, which are aligned with general company priorities and CEO Office OKR

YOUR BENEFITS - FAST GROWTH & STEEP LEARNING CURVE

- You'll be part of an ambitious team determined to shape the future of e-commerce in Europe working hand in hand with our experienced founders (Rocket Internet, Foodora, Kaia Health, Curingshot)
- For us, it's not important where you come from, but how happy you make your customers. If you have your own philosophy or a new approach in your work, we would be happy to learn from you
- With us, you will experience a lot of personal responsibility from day one, which will lead you through a steep learning curve and boost your professional as well as personal growth
- There are no hierarchies with us. This means working at eye level, short decision-making processes, direct communication, and a family-like atmosphere with cool team events
