

Job Posting Title: 2024 Intern – Solution Consulting

Location: Munich, Germany

Our Company

Changing the world through digital experiences is what Adobe's all about. We give everyone—from emerging artists to global brands—everything they need to design and deliver exceptional digital experiences! We're passionate about empowering people to create beautiful and powerful images, videos, and apps, and transform how companies interact with customers across every screen.

We're on a mission to hire the very best and are committed to creating exceptional employee experiences where everyone is respected and has access to equal opportunity. We realize that new ideas can come from everywhere in the organization, and we know the next big idea could be yours!

The opportunity

The Solution Consulting Internship Program is a comprehensive experience designed to introduce university students to a career in technology consulting and solution design.

As a member of this program, based in Munich, you will work in a team of interns and develop professional skills that are essential to becoming an Adobe Solutions Consultant.

This position is part of the 6-month internship program starting **1st of March 2024!**

What you'll do

You will learn many of the skills required of a Solutions Consultant and gain an understanding of Adobe's Creative and Document Cloud. During your 6 month at Adobe, you will be part of a Solutions Consulting team and work on real client & internal projects. Upon completion of the program, you will be developed in many of the areas required to be successful as a Solutions Consultant and will be prepared for a potential career in the field.

What you'll need to succeed

- Be a student in Business Administration, Management Information Systems, Computer Science, Graphic Design, Interaction Design or equivalent degree like MBA. Ideally a combination of both technical and business subjects. Graduation in 2025.
- Have good interpersonal and presentation skills

- Possess the ability to listen, dissect and tackle business problems
- Be a curious self-starter who is resourceful and learns fast
- Pay attention to detail with organisational skills
- Enjoy challenges and learning about industry and technology trends
- Enjoy working in a group setting and collaborating with others
- You have a proficient written expression and are strong in communicating in German and English.

What would be great on top

- Adobe Experience Cloud Products
- Affinity for working with APIs, web services, SOA, application servers, HTML, CSS, JavaScript
- Management Consulting
